Absolutely need friends for higher difficulties.

Great game, very fun to play.

Destroying zombies is so fun, give it a go.. This is how life should be, me with some weapons and a world where it's ok to shoot the zombie hordes that infest it.

If I somehow became the king of the world tomorrow have no doubt that I would declare all ginger haired , little people (dwarfs) and people who say y'all, Zombies.

I would create my own task force called Zforce which I will head to hunt down and kill these genetic freaks and be as happy as a sniper in a tower with unlimited ammo.

Oh and Hitler looked more like Freddie Mercury on a 2 week glory hole binge.
